ESPACIO, ESPACIO, ESPACIO

Teniendo un distancia pa sigui
bon ta importante ora bo ta stuur
no solamente pa evita accidente di
banda patras, pero pa dunabo bon
vista pa dilanti tambe.
Ora bo ta sigi otro auto hopi
cerca, ta imposibel pa busca e dos
espacionan cu bo tin mester si bo
ta pensa di pasa e auto.

SPACE, SPACE, SPACE

Having a proper following distance
when driving is important to you not
only to avoid rear end accidents, but
also to give you better front vision.
Getting right up against another
vehicle's rear end makes it almost
impossible to look for the two spaces
most important to you if you intend
to pass.
